This figure is a high-resolution grid-based visualization, likely a screenshot from a software application. The horizontal axis is labeled at the top with values 130, 140, 150, 160, 170, 180, and 190. The vertical axis is labeled on the left with values 90, 100, 110, 120, 130, 140, and 150. The grid consists of a repeating pattern of colored cells. The colors used are black, white, grey, green, blue, red, and yellow. The pattern is highly symmetric and periodic, suggesting it might be a visualization of a mathematical function, a crystal lattice, or a specific algorithm's output. The overall appearance is that of a scientific or technical visualization.

**Fabric:** Aida 14, White  
**Size:** 14 Count, 35.38w X 28.12h cm

**Floss Used for Full Stitches:**
